

Winter Holiday Homework

Class- IV

GENERAL INSTRUCTIONS

- Complete your homework in the given time period.
- Make a separate single notebook for all subjects.

English

1. Write 10 sentences about your winter holidays.
Circle all the nouns in red, underline verbs in blue and highlight adjectives in green.
2. Read the given passage and answer the questions that follows.
Riya loved winter mornings. She would wake up early, wrap herself in a warm blanket, and sip hot chocolate while watching the birds outside her window. One day, she saw a little sparrow shivering on the branch. Riya quickly placed some grains on the balcony. The sparrow hopped down, ate happily, and chirped loudly as if to say "thank you." Riya smiled, feeling warm inside even though the air was cold.
 - a) What did Riya drink on winter mornings?
 - b) Where did Riya see the sparrow?
 - c) What did Riya do to help the sparrow?
 - d) How did the sparrow show its happiness?
 - e) Why do you think Riya felt warm inside even though the air was cold?
 - f) Find two describing words (adjectives) from the passage.
 - g) Write the opposite of: early, warm.
3. Read the given passage and answer the questions that follows.
On a chilly winter evening, Aarav and his sister Meera decided to build a snowman in their garden. They rolled three big snowballs and placed them one on top of the other. Meera added a carrot for the nose, while Aarav found two buttons for the eyes. Finally, they wrapped a scarf around the snowman's neck. When they finished, the snowman looked cheerful, and the children laughed happily at their creation.
 - a) Who built the snowman?
 - b) How many snowballs did they use?
 - c) What did Meera use for the snowman's nose?
 - d) What did Aarav use for the eyes?
 - e) How did the children feel after finishing the snowman?
 - f) Find two action words (verbs) from the passage.
 - g) Write a sentence about what you would add to make the snowman more fun.
4. "Design a colorful poster on the theme 'Save Water, Save Life'. Use drawings, slogans, and bright colors to show why saving water is important."
OR
"Make a poster on Healthy Habits showing how to stay clean and fit."
